How We Will Calculate Your Balance: We use a method called “average daily balance (excluding new purchases).” See Paragraph 3 of this account agreement for more details.

Your Billing Rights: Information concerning your rights to dispute transactions and how to exercise those right is provided in the “Your Billing Rights” section below the signature line in this account agreement.

(b) **Regular Terms:** Unless a special promotion applies (as described below), no Interest Charge will be imposed in any monthly billing period (1) in which there is no balance at the beginning of the billing period (the “Previous Balance”) or (2) in which payments received and credits issued within one month after the Billing Closing Date (the “Payment Due Date”) equal or exceed the Previous Balance. If we do not receive the full amount due (the “New Balance”) by the Payment Due Date, Interest Charges will be computed on the outstanding balance from month to month by applying the applicable Monthly Periodic Rate set forth above to the balance explained in paragraph 3 below.

(c) **Special Promotions** – The following terms apply to certain special promotional rate offers:

- (1) **No Interest Offer:** If you were offered and accepted a “No Interest for 12 Months” promotion on any item, it will be reflected as such on the sales invoice. You will be required to pay a fixed percentage of the amount of said item at the time of sale, with the remaining balance to be paid in equal monthly installments for the next 11 months, as printed on the sales invoice]. The amount of each such installment will be included in the Minimum Payment Due figure on each statement. No Interest Charge will be imposed on the balance attributable to that purchase as long as the Minimum Payment Due shown on your monthly billing statement is paid in full by the Payment Due Date shown on that statement and the entire balance is paid in full within 12 months from the date of purchase. If, in any two consecutive billing cycles the Minimum Payment Due is not paid in full and when due, we will notify you that Interest Charges (at the applicable rate set forth above) will begin to accrue and will be imposed on the remaining promotional purchase balance in your Account under our Regular Terms (see paragraph (b) above). If the entire balance of your promotional purchase has not been paid in full within 12 months from the date of purchase, the balance remaining at that time will be subject to Interest Charges (at the applicable rate set forth above) beginning on the next billing cycle and until the balance is paid in full.
- (2) **Promotional Interest Rate Offer:** If you were offered and accepted a “Promotional Interest Rate” for a specific time period on any item, any such item will be designated as “Promotional Rate” on the sales invoice. You will be required to make payments as set forth under “Regular Terms” above, except the Interest Charges will be based on the promotional rate offered to you (i.e., 7.99% for the first 24 months). However, if in any billing cycle, the Minimum Payment Due is not paid in full and when due for two consecutive billing cycles, we will notify you that the Promotional Interest Rate will no longer apply and Interest Charges (at the applicable regular rate set forth above) will begin to accrue and will be imposed on the remaining promotional purchase balance in your Account under our Regular Terms (see paragraph (b) above). If the entire balance subject to the Promotional Interest Rate has not been paid in full within 24 months from the date of purchase, the remaining balance will be subject to Interest Charges (at the applicable regular rate set forth above) beginning on the next billing cycle and until such balance is paid in full.

3. METHOD OF COMPUTING INTEREST CHARGE

We figure the Interest Charge on your Account by applying the monthly Periodic Rate to the “Average Daily Balance” of your Account (excluding current transactions). To get the “Average Daily Balance” we take the beginning balance of your Account each day and subtract any payments or credits, returned check fees, late fees, and any unpaid Interest Charges. We do not add in any new purchases. This gives us the daily balance. Then, we add all the daily balances for the billing cycle together and divide the total by the number of days in the billing cycle. This gives us the “Average Daily Balance”.

4. MINIMUM MONTHLY PAYMENTS

You agree to pay at least the Minimum Payment Due shown on your monthly statement on or before the Payment Due Date shown on that statement. Your Minimum Payment Due will be four percent (4.0%) of the New Balance, but not less than \$20, or the entire New Balance if the New Balance is less than \$20, except that, (i) if you live in Vermont, the minimum monthly payment will be not less than 1/48 of the balance after the last advance in the billing period, (ii) if you live in California, the minimum monthly payment will be 10% of the New Balance, and (iii) if you live in West Virginia, your Minimum Payment Due will be 1/12 of 25% of the New Balance. If you live in South Carolina, 40% of your payment will be applied to outstanding principal. The Minimum Payment Due will include the entire amount of any check processing fee and any past due amount. If any item is designated as an "Interest Free" on the sales invoice or otherwise at the point of sale, the minimum monthly payment amount for that item will be a percentage of its total cash price (or multiple items that qualify for this option), and the minimum monthly payment amount for this option will be added to the regular minimum monthly payment amount, if any, to arrive at the total Minimum Payment Due. All payments must be made in U.S. dollars by check drawn on a U.S. bank. You may pay more than the Minimum Payment Due in any month but if you do, and there is a balance due, you must continue to make minimum payments in future months.

5. LATE FEE; RETURNED CHECK FEE

(a) If any payment is received by us more than ten (10) days after the Payment Due Date for such payment, you may be required to pay a "Late Payment Fee" of \$10.00, subject to the following exceptions (see table below):

New Mexico, Tennessee, South Dakota, New Hampshire, Hawaii, Delaware, Oklahoma, Connecticut, Wyoming, Guam	No late fee	10
Maine, Arkansas	\$10	15

(b) If any check sent to us in payment on your Account is drawn on a foreign bank or is returned to us unpaid by the bank, to the extent permitted by applicable law, we may charge you a fee of \$25.00 to cover our processing costs and you agree that we may add such fee to the balance due on your Account, subject to the following exceptions (see table below):
